Convincing proof that detective stories are real fiction is given by the ending in which the criminal is caught.

A fellow trying to flirt with his stenographer across a desk might be said to be engaged in a romantic pursuit.

President Angell, of Yale, who has great confidence in ambitious youth, says: "The boy who is determined to go to the devil will in probability accomplish his purpose."

A Texas newspaper records that Alex Shott and John Nott fought a pistol duel, in which, curiously enough, Nott was shot and Shott was not. In other words, the shot Shott shot shot Nott.

SPEEDERS FLAYED

We agree with the Providence Daily Journal, recently quoted in the Pathfinder, that certain dangerous practices of reckless young men should have been stopped. The Journal said:

"We have a number of young men who from thoughtlessness, drive through our streets with their horses at full trot, to the imminent danger of their own and the lives of others; they appear regardless of consequences, to a degree actually criminal."

The date of the newspaper is October 17, 1929.

A TIMELY WARNING

Motorists are given some sound seasonal advice in recent bulletins issued by the National Safety Council, which includes cautions against carbon monoxide gas and other dangers. Among the admonitions given are these:

Beware of carbon monoxide gas by keeping garage open when you start your car. This gas is deadly, but you can neither see, smell nor taste it.

Have brakes tested frequently. When road is slippery don't apply brakes or step on the gas too suddenly. Take curves slowly. Watch out for car trucks. Be extremely cautious when passing schools, playgrounds and other places where

Quickly Relieved By This Safe Prescription

Here's a doctor's prescription that is really throat insurance. Sore or irritated throats are relieved and soothed almost instantly with the very first swallow. About 90 per cent of all coughs are caused by an irritated throat; consequently, for most coughs, too, there is nothing better than this famous prescription—it goes direct to the internal cause. It is put up under the name Thoxine and is guaranteed to stop coughs and relieve sore throats in 15 minutes or your money will be refunded. Singers and speakers find Thoxine very valuable.

The remarkable thing about Thoxine is that while it relieves almost instantly, it contains nothing harmful, is pleasant tasting and safe for the whole family. Ask for Thoxine 35c, 60c, and \$1.00 bottles.

SPELLS OF BACKACHE

"I HAVE used Cardui at intervals for sixteen years, when I suffered from weakness, and it always helped me," says Mrs. J. W. Jinnright, R.F.D. 2, Troy, Ala.

"Mostly I was afflicted with backache. At times I felt as if my back would break. I would drag one foot after the other, in a helpless sort of a way, and once I got down in bed. My husband urged me to take Cardui, and I soon found what a fine medicine it really was. When my second child was little, I was in very bad health. I did not pick up as I should have, but I have come through, but for Cardui."
